Primary – Rescheduled Thermomix Cooking Demonstration Invitation

Dear Parents/Carers

We are pleased to invite you to a **free Thermomix cooking demonstration** taking place at school.

This is a fantastic opportunity to see an all-in-one kitchen appliance in action, with a live demonstration showcasing how quick, healthy, and delicious meals can be prepared. There will also be a variety of sweet and savoury samples available for you to enjoy.

Event details:

Date: Thursday 9 July 2026

Time: 3:20pm start; 4.30 finish approximately

Entrance: via the school office

Refreshments will also be available.

We are hoping to welcome as many parents and carers as possible, as hosting this event gives our school the opportunity to receive a Thermomix for use in school activities.

If you would like to attend, and in order for us to plan accordingly, please can you confirm your attendance via Arbor, this can be found under Activities/Trips.

We hope you are able to join us for what promises to be an enjoyable and informative session.

Thank you for your support.

Yours faithfully

Mrs I Smith
HLLA/Eco Co-ordinator
