Medication Kept in School email

Dear Parent/Carer

If your child has any medication stored at school, please ensure this is collected from your child's teacher, no later than Friday 17 July, as we are unfortunately not able to send medication home with learners.

When your child returns in September, any medication that needs to be kept in school **must be accompanied by a new completed Agreement to Administer Medicine form, Asthma Form or a Health Care Plan**. These forms are available at the school office and are also attached to this email for your convenience. **Please note that a new form must be completed for the new academic year.**

Please do not hand any new medication to the class teacher, please take it to the school office.

Thank you for your support.

Kind regards
Penshurst Primary School
